SPECIAL NEWSLETTER

TO: CTC Members
FROM: Steve Hall (club manager)

I am happy to announce that the future management of the CTC will be in good hands as the current CTC president, Kathi Gray, will be replacing me effective 11/1/2020. Kathi is uniquely qualified and I am confident that she will do a good job. The following is taken from Kathi's application to the CTC's board for the position:

"Thank you for considering me for this position. My love of our tennis club and of Charbonneau drives me to continually contribute my time and talents.

I have resided in Charbonneau for over five years as an active member of the Charbonneau Tennis Club. Currently serving as CTC Board President has uniquely qualified me for the position of Club Manager.

My previous experience serving on boards and HOA's gives me the unique experience of knowing all levels of management. As HOA President, I led homeowners through a successful 21 million dollar remodel of our resort complex. I have been chairman of fundraising for a county wide organization. My management skills of over 40 years as owner/manager of real estate provides me with on-time scheduling and emergency experiences.

Education: BS in Administration, Lewis and Clark College"

Please welcome Kathi as the new CTC manager
