### NEW FEATURES ON COURTRERESERVE

As you know we are constantly working on the CourtReserve features. Stacy Naccachian, our go to CourtReserve expert has implemented several of the desired features.

**COUNTDOWN CLOCK:** The countdown clock has been added and you may now input players names prior to booking at 7:00 a.m.

**MEMBER GROUPS:** Member Groups have been updated to reflect members who are a part of ALL groups so that members can easily locate players as of 2/16.

**WAITLIST:** Stacy requested that CourtReserve add a waitlist

feature to court bookings and they are in the process with a target date of 3/15.

If you are experiencing a slow reaction time at 7:00 a.m., please let us know so that we can judge if this is a larger problem for bookings.

## RULES RULES RULES

There has been a lot of adjustment in the rules as we construct one set of rules for both facilities. The board is working diligently to address members concern.

We would appreciate your patience as we consider all aspects and impacts of new and old rules.

We will be deciding the best way to move forward and will put out a complete and final version of the rules in the near future.
